CONCIERGE CHOICE AWARDS EVENT COMMITTEE

On behalf of the CCA Event Committee and the New York concierge community at large, we thank you for participating in the 11th Annual Concierge Choice Awards!

As concierges, we strive to provide our hotel guests with the best of what New York has to offer. Our finalists and winners make it possible. After a voting process that called upon the entire NYC concierge community, we are proud to say our finalists truly represent the "Best of New York City Hospitality."

The Concierge Choice Awards were conceived 11 years ago with the mission of recognizing the businesses and vendors that give so much to our guests. We are pleased to join Davler Media Group and the concierge community in saluting the finalists and winners.

Once again, thank you for all you do for our guests every day!

Davler Media Group

Welcome to the Concierge Choice Awards!

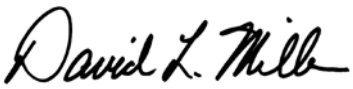
With tonight's ceremony, we celebrate eleven years of recognizing the crème de la crème of the New York City Tourism Industry—businesses and individuals who leave an enduring mark on so many visitors' trips to the Big Apple.

As publishers of *City Guide* Magazine, it has been Davler Media Group's honor to organize this dinner and to prepare the Commemorative Journal you hold in your hands. Not only does it recognize 2017's winners and finalists, it serves as a handy reference guide with a brand new Special Services Directory.

Be sure to visit conciergechoiceawards.com and follow us on social media to see pictures from tonight's event and past ceremonies. We encourage you to use our website and this Journal throughout the year as a resource to connect with many of the best tourism venues in our fabulous city.

Lastly, we would like to salute all the finalists and winners and are proud to make a contribution to the Les Clef's d'Or Foundation and the Hand in Hand Hurricane Relief Fund.

Congratulations to all,



David L. Miller
Chief Executive Officer
Davler Media Group

NEW! In this year's edition of the Journal you'll find a Special Services Directory. We've listed popular visitor locations around New York City, with contact information and a detailed guide to their accessibility. We've added icons that clearly show each venue's capacities for strollers, wheelchairs, audio guides, educational programs, foreign language assistance, and more. The directory is located in the back of the Journal. You'll find it a convenient resource all through the year.

MASSERIA
DEI VINI

Masseria dei Vini (Masseria of Wines) is the new venture brought to you from the La Masseria team. Restaurateurs Pino Coladonato, Peppe Iuele and Enzo Ruggiero have collaborated again with interior design expert Libby Langdon to bring you a modern and updated version of a "Masseria."

In the region of Puglia, in Southern Italy, masserias are fortified farmhouses, and many of them have now been transformed into restaurants or hotels. Executive Chef Pino Coladonato, native of Rutigliano (Bari), has created a menu that blends traditional with modern without overpowering one or the other.

The menu features beautiful dishes from Puglia, a lot of which incorporate fish, shellfish and a plethora of fresh homemade pastas. The menu offers gourmet pizza Neapolitan style from a Ferrara wood-burning pizza oven and also offered is an extensive wine by the glass program and a large selection of bottles, mainly from Italy, but without ignoring the rest of the world. 7 days Lunch & Dinner.
